Conclusão

- Ao término dessa imersão em língua inglesa, concluo que fui além de alcançar os objetivos, consegui aprimorar meu conhecimento em língua inglesa ao mesmo tempo em que comunicava-se com colegas e amigos que lá deixei. Viver em Toronto por 4 semanas foi um sensação inusitada e enriquecedora. Aprendi com culturas diferentes de toda parte do mundo e posso afirmar que em Toronto existe o respeito entre as diferenças e um grande investimento na educação. Por fim, agradeço pela oportunidade.
